

30th January 2024

Dear Parent/Carer

I am writing to introduce myself as CEO of the Education Partnership Trust (EPT).

You will be aware that Carr Hill High School will become an academy under the sponsorship of the Education Partnership Trust (EPT) on 1st July 2024.

The EPT is excited to be working with Carr Hill High School on its journey to becoming an outstanding school. The support provided by the trust will enable the school to focus on continuing to raise standards and improve the educational outcomes for your child. As a multi-academy trust, we have over 10 years' experience of transforming schools and raising standards in the North West region.

Our vision is to create outstanding schools which transform learning, lives and communities and Carr Hill High School is making impressive strides to achieve this. We are committed to continual improvement and will always make decisions based on what is in the best interests of our pupils. On a day to day basis, the school will be run by the Headteacher and school staff, with support and challenge from the local governing body. The EPT will have overall responsibility for the performance and standards of the school. Our well established and highly skilled central team will provide the support to continue to drive educational improvement for all pupils.

I want to assure you that the success, happiness and wellbeing of your child is our first priority and we look forward to working in partnership with you to deliver a first-class education for every pupil.

Yours sincerely

Sharon Roscoe
EPT CEO
